ABOUT US

Scientific Excellence

Nanotech Cosmetic Industries stands at the forefront of advanced dermatological innovation, representing a paradigm shift in therapeutic skincare solutions. We are a distinguished collective of scientists, pharmacists, and researchers dedicated to the convergence of biotherapeutics, pharmaceutical excellence, and cosmeceutical advancement.

Our Mission

To revolutionize dermatological care through scientifically-validated formulation that restore, protect, and enhance skin health while maintaining the highest standards of safety and efficacy.

Global R&D Infrastructure

- Primary Manufacturing:** Lebanon
- Advanced R&D Laboratory:** United States of America
- Quality Standards:** Pharmaceutical-grade manufacturing protocols
- Certifications:** ISO quality certifications and regulatory compliance

Advanced Dermatological Solutions

Our comprehensive range of Advanced Dermatological Solutions addresses critical therapeutic needs across multiple skin conditions.

OLEAPEARLY®

SKIN WHITENING & REVITALIZING CREAM

50g

A biotechnological breakthrough in melanin regulation and light-diffusing optics. Formulated with NCI Chroma-Lux™ Complex to reveal pearlescent, even-toned skin.

Niacinamide

Vitamin C

Olive Squalane

Aloe Vera

- ✓ 30% reduction in hyperpigmentation (clinical study, n=52)
- ✓ Immediate light-diffusing effect + long-term melanin suppression
- ✓ Encapsulated niacinamide + olive-derived squalane

OLEACURE®

MOISTURIZING & SOOTHING CREAM

30g

Advanced formula for compromised and burnt skin. Clinically proven to accelerate healing with minimal scarring.

Olive Oil

Aloe Vera

Starch

Beeswax

- ✓ Forms breathable protective barrier
- ✓ Reduces inflammation and supports natural healing
- ✓ Locks in moisture while soothing discomfort

OLEAVIVE®

PRESSURE ULCER CARE CREAM

40g

Specialized moisturizing and soothing cream designed for pressure ulcer management with proven clinical results.

Glycerin

Olive Oil

Aloe Vera

Sesame Oil

- ✓ Supports tissue recovery and natural healing
- ✓ Moisturizes compromised skin effectively
- ✓ Soothes discomfort from pressure ulcers

OLEAHEAL®

RESTORATIVE WOUND CARE CREAM

30g

Post-surgical and wound management cream that promotes rapid tissue regeneration and skin restoration.

Olive Oil

Aloe Vera

Vitamin E

- ✓ Supports restoration and healing of wounds
- ✓ Provides intensive moisturizing care
- ✓ Reduces scarring and promotes skin regeneration

OLEAPEDES®

DIABETIC FOOT CARE OINTMENT

70g

Restorative and soothing ointment specifically formulated for diabetic foot care and cracked heels.

Olive Oil

Shea Butter

Tea Tree Oil

- ✓ Hydrates and soothes cracked feet
- ✓ Restores damaged skin barrier function
- ✓ Long-lasting moisture protection

Clinical Evidence

Our products demonstrate remarkable therapeutic outcomes in real-world clinical applications.
